

TAKING EXCELLENCE PERSONALLY

UMI is thrilled to be recognized as one of the Business Journal's 2006 Fast 50 Companies. It is an honor we share with our colleagues, clients and families, for it is their support and encouragement that inspires us to achieve excellence every day.

Qualcomm San Jose Fab

At UMI we believe superior personal service is just as important as technical superiority. With an average of 20 years of HVAC experience, our skilled craftsmen bring innovative thinking and industry know-how to every project. In fact, you won't find more exacting standards or higher quality, all delivered

on time and within budget. But what truly sets UMI apart is our company-wide commitment to client care. Regardless of scope or size, each project is handled with the optimal level of professionalism and responsiveness. So if you're

looking for excellence in customer service *and* end product, give us a call. You've got our attention.
